FEEL EVERY CHANGE OF THE WEATHER.

A Bad Back is Always Worse During Wet or Changeable Weather.

Is your back like a barometer? Does it foretell every change of weather? Does every cold settle on your kidneys?

Bring aching, throbbing pains? Does it disorder the urine? The kidneys are calling for help. Use Doan's Kidney Pills, Recommended by Johnson City testimony.

I. M. Wilson, policeman, living in Johnson City, Tenn., says: "I was troubled for a long time with a dull ache in the small of my back which hurt me severely when stooping or bending over. If I caught the slightest cold it was sure to settle in my back and kidneys, causing me much suffering. Doan's Kidney Pills finally came to my notice, and I procured a box at the Patton Drug Co. Their good effect was soon felt and it was only a short time before I was entirely free from pain. To say that I highly endorse Doan's Kidney Pills mildly expresses the opinion I have of this remedy."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States. Remember the name—Doan's—and take no other.

Spongum—I say, old man, in case I should die suddenly, will you make sure that I am really dead before they bury me?

Knock—Yes, you may depend on me. I'll ask you to have a drink, and if you don't sit up and take notice, I'll tell the undertaker to go ahead and plant you. —Chicago News.

A Traveling Man's Experience.

"I must tell you my experience on an east bound O. & N. R. R. train from Pendleton to Le Grande, Ore.," writes Sam A. Garber, a well-known traveling man. "I was in the smoking department with some other traveling men when one of them went out into the coach and came back and said, 'There is a woman sick unto death in the car.' I at once got up and went out, found her very ill with cramp colic; her hands and arms were drawn up so you could not straighten them, and with a death-like look on her face. Two or three ladies were working with her and giving her whisky. I went to my suit case and got my bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy (I never travel without it), ran to the water tank, put a double dose of the medicine in the glass, poured some water into it and stirred it with a pencil; then I had quite a time to get the ladies to let me give it to her, but I succeeded. I could at once see the effect and I worked with her, rubbing her hands, and in twenty minutes I gave her another dose. By this time we were almost into Le Grande, where I was to leave the train. I gave the bottle to the husband to be used in case another dose should be needed, but by the time the train ran into Le Grande she was all right, and I received the thanks of every passenger in the car." For sale by H. C. Miller.

"I suppose John is still takin' life easy," said the woman in the spring wagon. "Yes," answered the woman who was carrying an armful of wood. "John has only two regrets in life. One is that he has to wake up to eat, and the other is that he has to go to sleep to sleep."

Naude Tyner, St. Louis, Mo.

Mrs. Mary Curry and Eversole.

It is hard to find a remedy suited to the ills of children, yet Mrs. Curry, of Trowbridge, Ill., and Mrs. Eversole, of Hindsboro, Ill., claim to have found it and they are naturally anxious to let the rest of the world know. He says: "My mother, who is old and was very feeble, is deriving so much benefit from Electric Bitters that I feel it my duty to tell those who need a tonic and strengthening medicine about it.
